- | | | |
|--|--|--|
| <input type="checkbox"/> fatigue | <input type="checkbox"/> grunting | <input type="checkbox"/> difficulty playing, eating, drinking, talking |
| <input type="checkbox"/> restlessness/agitation | <input type="checkbox"/> gray or blue lips or finger nails | <input type="checkbox"/> breathing faster |
| <input type="checkbox"/> flaring nostrils, mouth opens (panting) | <input type="checkbox"/> sucking in chest/neck | <input type="checkbox"/> wheezing |
| <input type="checkbox"/> red face, pale or swollen | <input type="checkbox"/> persistent cough | <input type="checkbox"/> other: _____ |
| <input type="checkbox"/> dark circles under eyes | <input type="checkbox"/> complaint chest pains/tightness | _____ |

Other relevant information: (e.g. precautions to be taken to prevent a medical or other emergency)

Steps to take during an asthma episode:

1. Give medications as listed below*.

Special Instructions _____

ASTHMA MEDICATIONS

	Name of Medication	Amount	When to Use
1.			
2.			
3.			

*Authorization for the Administration of Medication form must be on file for each medication.

MEDICATION REQUIREMENTS: (check one)

- No medication required while attending YMCA Program.
- Medication required at the YMCA Program. (Bring original prescription to first day of the program, label clearly showing camper's name, birthday, and expiration date)

Special Instructions: _____

2. Check for decreased symptoms.
3. Contact parent/guardian immediately if emergency medication is required.
4. Call 911 if:
- a. The child has not improved in 15 min. after treatment and family can not be reached.
 - b. After receiving a treatment for wheezing, the child:

• Is working hard to breathe or grunting	• Has gray or blue lips/finger nails	• Is hunched over to breathe
• Has sucking in of the skin (chest/neck) with breathing	• Has trouble walking or talking	• Is extremely agitated or sleepy
• Is breathing fast at rest (>50/min)	• Have nostrils open wider than usual	• Won't play
	• Cries more softly and briefly	
5. Accompany the child to the hospital or care facility if the parent has not arrived. Bring the child's registration form and medical forms.
